 86 m²

Type	Apartment	Year of construction	2024
Status	Under construction		

Description

This beautiful development a contemporary project located in a quiet area near the city center and offers easy access to other areas of the city, as well as easy access to the motorway.

The building consists of 8 apartments on 4 floors, two one-bedroom apartments, three two-bedroom apartments, two three-bedroom apartments and one three-bedroom penthouse apartment.

Its location makes it ideal for investment and home ownership by people who want to live close to the city centre, but in a quiet area.

As a unique architectural project, it has been designed in such a way that it meets the modern needs of urban life, while at the same time it is a unique choice to create beautiful memories and live dreamy moments.

The project has been created based on the needs of the modern life.

Last available unit, two bedroom apartment on the 2nd floor.

Delivery April 2025.
