 Lykabittos, Nicosia

€855,000 +VAT

Overview

Specifications

Covered

 217 m²

Type	Office	Year of construction	2024
Status	Under construction	Energy efficiency rating	 A

Description

The building features five levels in addition to a basement. The ground floor is dedicated to a showroom and office space. Separate from this area, the rest of the building has its own entrance, lobby, and elevator, leading to four floors of versatile office spaces designed to accommodate various business needs.

Each office space is equipped with kitchens, toilets, and covered verandas. They can be flexibly divided into individual offices, meeting rooms, and reception areas. The building also boasts raised floors suitable for structured cabling and drop ceilings with integrated climate control units, ensuring a comfortable and efficient working environment.
