Description

This stunning office space is located in the tallest business tower in Larnaca, standing at an impressive 55 meters. It offers 150 m² of internal space, perfect for a growing business. The office is divided into five well-designed areas, providing flexibility and privacy for different teams or functions. With a modern layout and a dedicated kitchen area ideal for lunch breaks, this office ensures a comfortable working environment. Additionally, there are four toilets for added convenience.

Situated in a prime city-center location, the office offers easy access to the airport and major hotels, with "Finikoudes" beach just 9 minutes away. The building also boasts a large underground parking area, landscaped surroundings, and professional service and maintenance that will exceed your expectations.

Asking rent: €2,500 per month.
