Description

Nestled in the prestigious Strovolos district of Nicosia, the building is a contemporary haven designed to redefine modern urban living. This elegant four-story development features meticulously designed two- and three-bedroom apartments, each offering a harmonious blend of style, comfort, and functionality.

This stunning two-bedroom, two-bathroom apartment spans 82m² of internal space complemented by a 22m² covered veranda, creating the perfect setting for relaxing or entertaining. Thoughtfully crafted with premium finishes, it boasts provisions for underfloor heating and air-conditioning units, ensuring year-round comfort. The installation of photovoltaic panels not only enhances sustainability but also adds value, offering significant energy savings.

The property is perfectly positioned in a quiet, family-friendly neighborhood, providing convenient access to the city center and Cyprus' highway network. Local shops, green parks, and top-tier private and public schools are just a short stroll away, making it an ideal choice for both families and professionals.

Scheduled for delivery in November 2025, this property offers a unique opportunity to personalize your future home in a highly sought-after location. The asking price is €245,000 plus VAT, making it an exceptional investment in a vibrant, growing area.
