Description

Nestled in one of Nicosia’s most sought-after locations, just off Kennedy Avenue, this project redefines contemporary urban living with its innovative design and people-first philosophy. This landmark development seamlessly combines luxury, functionality, and sustainability, making it a true gem in the heart of the city.

Boasting a sleek four-story design, the development offers a range of residences, including 12 thoughtfully crafted one- and two-bedroom apartments, as well as an exquisite three-bedroom penthouse. Each home has been meticulously designed to provide enduring value and exceptional comfort while fostering a sense of community.

Features and Highlights:

- Certificate of Energy Efficiency A+: Ensuring eco-friendly and cost-efficient living.
 - Photovoltaic Panels: Supporting sustainable energy use.
 - Premium Amenities: Dedicated parking spaces, storerooms, and full provision for electric car chargers.
 - Smart Living: Video door phones and an alarm system for enhanced security.
 - Ultimate Comfort: Provision for underfloor heating with a heat pump, air conditioning supply and installation, and electric rolling shutters in the bedrooms.
 - Exceptional Quality: Italian-designed kitchen cabinets and wardrobes in glossy or matte MDF, high-quality ceramic tiles, and protective marble finishes.
 - Superior Insulation: Advanced thermal and acoustic insulation with 80mm plaster and extruded polystyrene for the roof.
 - Customizable Interiors: Future homeowners have the opportunity to select materials to suit their personal tastes and preferences.
- The two-bedroom apartments offer 92m² of internal space complemented by a 27m² covered veranda, providing the perfect balance of indoor and outdoor living. Each home is designed to deliver an unparalleled living experience,
