Description

Experience a new standard of living in this beautiful project, a landmark development in one of Nicosia's most prestigious neighborhoods. Designed by the renowned EKKY Studio, led by acclaimed architects Kenzo Yamashita and Elina Kriticou, this residence is a masterpiece of bioclimatic architecture, blending sustainability, functionality, and elegance. Their award-winning philosophy focuses on maximizing space, natural light, and energy efficiency, creating homes that are both innovative and timeless.

Property Highlights:

? Spacious Layout: 86m² internal area + 18m² covered veranda

? Visionary Architecture: Unique design with high ceilings, floor-to-ceiling windows, and a striking modern aesthetic

? Under Construction – Delivery September 2026

? Smart & Secure Living: Gated property with an entry security system

? Covered Parking & Storage: With the option for an electric car charging station

? Luxury Finishes & Comfort: Underfloor heating in all areas & concealed A/C units in the living/kitchen areas

Designed for the Future

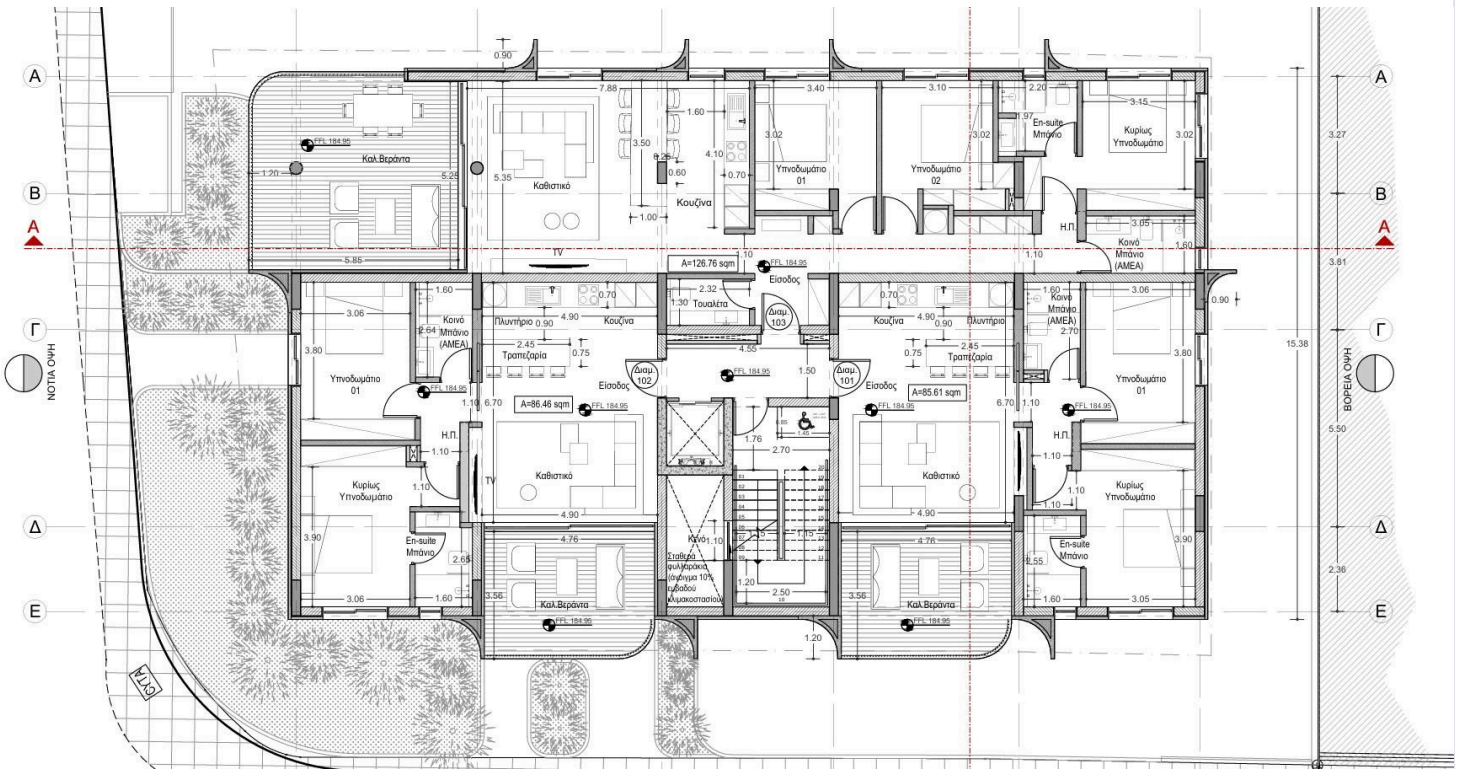

The project stands out with its minimalist yet bold architectural concept, featuring curved façades, greenery-lined vertical structures, and a harmonious blend of wood, metal, and glass. Every detail has been meticulously crafted to create an atmosphere of serenity, sophistication, and sustainability.
