

#1384

Factory

€1,600,000

Overview

Specifications

Covered

 **750 m²**

Type

Industrial Building

Year of construction

2005

Plot

2200 m²

Description

Located in the Agios Syilas Industrial Zone, this warehouse offers easy highway access and a prime spot for logistics and production. The space includes a high-ceiling production area, mezzanine, and dedicated offices with conference room, and kitchen.

Features include large roller doors, three-phase power, and heavy-duty flooring. Ideal for manufacturing, storage, or distribution operations.
