

#1385

# Factory

€2,600,000

# Overview

## Specifications

Covered

 **410 m<sup>2</sup>**

Type

**Industrial Building**

Year of construction

**1998**

Plot

**2150 m<sup>2</sup>**

## Description

Located in the Agios Syilas Industrial Zone, this warehouse offers easy highway access and a prime spot for logistics and production. The space includes a high-ceiling production area, mezzanine, and dedicated offices with conference room, and kitchen.

Features include large three-phase power, and heavy-duty flooring. Ideal for manufacturing, storage, or distribution operations.
