Description

This beautiful project is ideally located in the heart of Nicosia, in the prestigious Egkomi district, one of the city's most sought-after residential and investment areas. Surrounded by embassies, universities, and upscale villa neighbourhoods, the location offers a rare balance of vibrant city life and residential tranquillity.

Situated close to the University of Nicosia and the European University of Cyprus, the area enjoys strong rental demand, making the property an excellent choice for self-occupation, rental income, and long-term value preservation.

The project consists of six high-quality two-bedroom apartments, designed with north–south orientation for optimal natural light and ventilation. Each apartment features a garden-style terrace and a circular balcony on three sides, creating a sense of space, privacy, and luxury.

Designed and supervised by the renowned Cypriot architect Marathefti, the development is distinguished by its exceptional construction quality and elegant architectural design. With an impressive 2.9-metre ceiling height, the apartments offer a level of comfort and refinement rarely found in residential buildings.

Each unit includes:

- Private covered parking space
- Private storage room
- Solar power generation system per apartment, enhancing efficiency and sustainability

The surrounding area offers outstanding convenience, with embassies of China, the United States, and Russia nearby, as well as easy walking access to supermarkets, shopping malls, restaurants, cafés, bakeries, and daily
